FROM: Kevin Fangman, Administrator

Division of PK-12 Education

SUBJECT: Title VI Assessment Funds TIME SENSITIVE - Application forms must be received by the

Iowa Department of Education (DE) no later than September 26, 2008

Again this year, under the No Child Left Behind Act (NCLB), lowa was allocated funds to support the development of statewide assessment systems in a way that would enable the requirements of the Act to be met. Since assessment systems reside at the local level, it is appropriate that a majority of these funds are distributed to public school districts. These funds are meant to provide support for local district assessment systems. Funds retained at the state level will assist in continued support for the lowa Collaborative Assessment Modules (ICAM).

The DE will allocate funds to public school districts based on a per-pupil (K-12) amount of \$6.50 to support efforts to enhance your district-wide assessment system while meeting the expectations of NCLB. These funds will be able to be used for LEA activities directed toward meeting state and federal assessment, accountability, and reporting requirements. The intent is that these funds are to be used to supplement or enhance your current assessment system, not to supplant funds currently allocated.

Allowable activities include personnel (time), supplies, and equipment directly related to:

- Developing assessments for district reading, mathematics, and science standards;
- Aligning district-wide assessments to local standards and benchmarks;
- Purchase of off-the-shelf assessments used to measure standards;
- · Scoring of district-wide assessments;
- Analysis and reporting of assessment data;
- Professional development related to implementation of district-wide assessments; and
- Costs associated with management of the district-wide assessment system.

Each school district is asked to submit a budget based on an amount as determined by the September 2007 official enrollment count date. This budget form and allocations are attached and can be found at: <a href="http://www.iowa.gov/educate/content/view/676/556">http://www.iowa.gov/educate/content/view/676/556</a>. The forms must be received by the DE no later than September 26, 2008.

Excluded expenditures include, but may not be limited to:

- Conference fees or registrations;
- Conference travel expenses:
- Physical facilities;
- Title I school choice, transportation, or supplemental services;
- · Computers in classrooms; and
- · Wiring and technology infrastructure.

Please keep in mind that these funds are only guaranteed for the 2008-2009 school year. These funds may not be carried over to the 2009-2010 school year. Future funding is contingent on congressional appropriations for assessment purposes under NCLB. It is the intent of the DE to provide annual funds directly to local districts to the fullest extent possible and within the limitations of the annual appropriation. Depending on your needs and funds available as a district, it may be advisable to collaborate with neighboring LEAs or AEAs to maximize the impact of these resources, with a vision toward sustainability.
